In accordance with Section 250(a), Subchapter 2, Title II, of the Trade Act of 1974, as amended (19 U.S.C. 2273), the Department of Labor issued a Certification of Eligibility to Apply for NAFTA Transitional Adjustment Assistance on July 23, 1999, applicable to workers of Walls Industries, Inc., Merkel Walls Industries, Merkel, Texas. The notice was published in the **Federal**

At the request of the company, the Department reviewed the certification for workers of the subject firm. New information shows that worker separations occurred at the subject firms' Big Smith Division, Miami, Oklahoma location and the Cutting Department, Sweetwater, Texas when they closed in October, 1999. Based on these new findings, the Department is amending the certification to cover workers at the Big Smith Division, Miami, Oklahoma and the Cutting Department, Sweetwater, Texas locations.

The intent of the Department's certification is to include all workers of Walls Industries, Inc. who were adversely affected by a shift of production to Mexico.

The amended notice applicable to NAFTA-03298 is hereby issued as follows:

All workers of Walls Industries, Inc., Merkel Walls Industries, Inc., Merkel, Texas (NAFTA-03298), Big Smith Division, Miami, Oklahoma (NAFTA-03298B) and Sweetwater Walls Industries, Inc., Cutting Department, Sweetwater, Texas (NAFTA-03298C) who became totally or partially separated from employment on or after July 6, 1998 through July 23, 2001 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

Records Schedules for Electronic Copies Previously Covered by General Records Schedule 20; Availability and Request for Comments

AGENCY: Office of Records Services, National Archives and Records Administration,—Washington, DC.

ACTION: Notice of availability of proposed records schedules; request for comments.

SUMMARY: The National Archives and Records Administration (NARA) publishes notice at least once monthly

of certain Federal agency requests for records disposition authority (records schedules). Once approved by NARA, records schedules provide mandatory instructions on what happens to records when no longer needed for current Government business. They authorize the preservation of records of continuing value in the National Archives of the United States and the destruction, after a specified period, of records lacking administrative, legal, research, or other value. Notice is published for records schedules in which agencies propose to destroy records not previously authorized for disposal or reduce the retention period of records already authorized for disposal.

This request for comments pertains solely to schedules for electronic copies of records created using word processing and electronic mail where the recordkeeping copies are already scheduled. (Electronic copies are records created using word processing or electronic mail software that remain in storage on the computer system after the recordkeeping copies are produced.)

These records were previously approved for disposal under General Records Schedule 20, Items 13 and 14. Pursuant to NARA Bulletin 99-04, agencies must submit schedules for the electronic copies associated with program records and administrative records not covered by the General Records Schedules. NARA invites public comments on such records schedules, as required by 44 U.S.C. 3303a(a). To facilitate review of these schedules, their availability for comment is announced in **Federal Register** notices separate from those used for other records disposition schedules.

DATES: Requests for copies must be received in writing on or before January 7, 2000. On request, NARA will send a copy of the schedule. NARA staff usually prepare appraisal memorandums concerning a proposed schedule. These, too, may be requested. Requesters will be given 30 days to submit comments.

Some schedules submitted in accordance with NARA Bulletin 99-04 group records by program, function, or organizational element. These schedules do not include descriptions at the file series level, but, instead, provide citations to previously approved schedules or agency records disposition manuals (see Supplementary Information section of this notice). To facilitate review of such disposition requests, previously approved schedules or manuals that are cited may be
